

**ruf and AquaGard Products:**  
the rapid escalation of stainless steel commodity prices, please add a separate line item of a 7% surcharge to the total list price of all AquaPruf and AquaGard orders until further notice. Surcharge must not include discount.

**ial Automation Products:**  
the rapid escalation of aluminum and belting commodity prices, please add a separate line item of a 3% surcharge to the total list price of all 1X, 2X, 3X, FlexMove and aftermarket parts orders until further notice. Surcharge must not include discount.

**Note Extended Lead Times:**  
the combination of high volumes and pandemic related issues facing our workforce and that of our suppliers, we need to temporarily lengthen our lead times.
