Prices and specifications are subject to change with the market conditions. Advantech will communicate any changes accordingly before accepting customer orders.

Advantech products that are subjected to tariffs, the pricing can be added without prior notification to cover such cost. It may or may not be removed pending on the current events with respect to the future tariffs negotiations between U.S. and China governments.

Advantech Rescheduling Policy:

- 1) No rescheduling can be made within 4 weeks of the ship date.
- 2) Notification of push out request must be given within 4-8 weeks prior to the ship date, with a maximum push out of 4 weeks.
- 3) Notification within 8 weeks or more must be given if the order is to be pushed out beyond 4 weeks with a maximum 8 week push out date.
- 4) Anything beyond 8 weeks will be rejected.
- 5) Rescheduling of any order is limited to 1 time per PO.

Any orders that ship to the following jurisdictions are charged sales tax: AZ, CA, CO, CT, FL, GA, IA, IL, IN, KS, KY, MA, MD, MI, MN, NC, NJ, OH, PA, TN, TX, WA, WI and VA. If you are exempt from sales tax, select the Resale box during the checkout process. Upon receiving the proper paperwork, Advantech will not include such taxes in the final invoices.

The export of any products or software purchased from Advantech must be made in accordance with all relevant laws of the United States, including and without limitation, the US Export Administration Regulations. This may require that you obtain a formal export license or make certain declarations to the United States Government regarding products to be exported, their destination or their end-use.

Please refer questions regarding the provided quotation on these terms and conditions to the indicated sales representative.

**Best regards,
Advantech Corp**
